

REMARKS

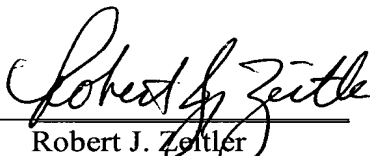

In the Notice of Non-Compliant Amendment mailed November 5, 2003, it was noted that the applicant did not include a complete listing of all claims. In particular, the applicant did not include claims 28-30, which are currently withdrawn. This amendment overcomes this oversight by including all 30 claims in the listing of claims. Accordingly, the applicant has now presented the claims of this application in a compliant manner. Reconsideration of this application is respectfully requested. Claims 1-27 are currently pending in this application, with claims 28-30 currently withdrawn from consideration.

Should the Examiner believe that a telephone conversation would facilitate the prosecution of the above-identified application, the Examiner is invited to call applicant's attorney.

Respectfully submitted,
